What do the Royal Footmen do?

The Royal Footmen are specialists meet & greet comedians that make all guests feel welcome as if they were royalty upon arrival. With light hearted banter, physical humour and comic magic, they are the icebreakers that kick start your event with a special spark of excitement.

What type of events are the Royal Footmen suited to?

They are perfect for almost any event. Simply because they are beautifully dressed in lavished, high quality, brilliant red costumes that add that extra class to any function. Not only that, but the Royal Footmen are an international act that has been perfected for 16 years, and so with this they bring their own unique blend of verbal wit, mime and comedy magic for every occasion.

How long do they perform for?

They perform for 90 mins either as 1x 60 mins [*meet & greet*] and 1x 30 mins [*mix & mingle*] or 2x 45 mins.

We find with our 16 years of experience; anything longer than 90 mins will lose its special appeal and renders the act ordinary. However we do understand that people have different needs so we are flexible to work with you to make sure your event becomes an outright success.
